

Autumn 1: Home Learning Challenge!

Pick and choose from these home learning tasks. You need to do at least three over the half term. Bring your learning in and we will tick off each time you win some points. Bring this sheet back with you!

<p>Create a 3D monster. You can either make one of the monsters below or design your own.</p>  <p><input type="checkbox"/></p>	<p>Write a paragraph about what you would like to be when you grow up and why.</p> <p><input type="checkbox"/></p>
<p>This monster eats metal. Find as many things as you can that are made from metal. Draw and label them.</p> <p><input type="checkbox"/></p>	<p>With a grown up find out about your dream job. Make a poster about it including pictures and information.</p> <p><input type="checkbox"/></p>
<p>Look at the numbers below. Record how many tens and ones are in each number.</p> <p>19 24 35 61 7 84 95 71 50 49 11</p> <p><input type="checkbox"/></p>	<p>Choose your Favourite story book. Once you have chosen your favourite story book draw a picture of the front cover and write 5 sentences about why you love the book.</p> <p><input type="checkbox"/></p>

Make sure you do the tasks below at home every week. Use the sheets provided to record your learning.

<p>Practise writing Y2 speedy spellings. Try to cover the word and write it without looking.</p>
<p>Practise answering the Y2 Quick Maths questions.</p>
<p>Read a book at home and record it in your home reading record.</p>
