Bring your learning in and we will tick off each time you win some points. Bring this sheet back with you! Alongside these activities, there are these jobs to practice every week...

Speedy Spellings	Use the spelling sheets to practice using 'Look, cover, write, check', and then use the words in sentences.
Times tables	Make sure you are confident with the 2, 5 and 10 times tables, and that you practice the 3 and 4 times tables. If you know these well, you can go on to learning the 6, 7, 8 and 9 times tables.
