

Spring 1: Home Learning Challenge!

Here are some home learning ideas for you to try. You can pick which you do and in which order. They are all worth a different number of points. If you get 50 points by the end of the term you win a prize!

<p>Look back at the 2014 Sochi Olympics and record the number of medals each country won. Write some questions about it.</p> <p>10 points</p> <div style="text-align: right; width: 100px;"><input style="width: 80px; height: 50px;" type="checkbox"/></div>	<p>Create a 3D model that is Winter Olympics themed.</p> <p>10 points</p> <div style="text-align: right; width: 100px;"><input style="width: 80px; height: 50px;" type="checkbox"/></div>
<p>Draw a map of South Korea and label where the Winter Olympic events are taking place. Can you include neighbouring countries?</p> <p>10 points</p> <div style="text-align: right; width: 100px;"><input style="width: 80px; height: 50px;" type="checkbox"/></div>	<p>Watch a Youtube video featuring a Winter Olympics sport. Create a fact file about that event.</p> <p>10 points</p> <div style="text-align: right; width: 100px;"><input style="width: 80px; height: 50px;" type="checkbox"/></div>
<p>Investigate: 'The rougher the surface the faster the object will slide.'</p> <p>10 points</p> <div style="text-align: right; width: 100px;"><input style="width: 80px; height: 50px;" type="checkbox"/></div>	<p>Design a Winter Olympics themed board game.</p> <p>5 points</p> <div style="text-align: right; width: 100px;"><input style="width: 80px; height: 50px;" type="checkbox"/></div>

Bring your learning in and we will tick off each time you win some points. Bring this sheet back with you! Alongside these activities, there are these jobs to practice every week...

Speedy Spellings	Use the spelling sheets to practice using 'Look, cover, write, check', and then use the words in sentences.
Times tables	Make sure you are confident with the 2, 5 and 10 times tables, and that you practice the 3 and 4 times tables. If you know these well, you can go on to learning the 6, 7, 8 and 9 times tables.
