

Autumn 1: Y4 Home Learning Challenge!

Here are some home learning ideas for you to try. If you complete all 6, you will receive a prize!

<p>Read a book of your choice, and then draw a picture of it.</p> 	<p>Create a model of a bridge.</p> 
<p>Draw a graph to show the temperature each day, for one week.</p> 	<p>In class you are learning about Isambard Kingdom Brunel, a famous engineer. Find out about another engineer, and write a fact file about him/her.</p> 
<p>In your home measure and record the length of 15 different objects.</p> 	<p>Create a poster to help us learn our colours in French.</p> 

In addition, every week, you must:-

Complete a 144 square, practice your spellings (so that your score improves each week), and read twice a week. Evidence of this must be brought to school every Friday to be checked.

If you need any resources to help you complete the home learning, just ask.
