

Spring 1: Y5 Home Learning Challenge!

Here are some home learning ideas for you to try. You can pick which you do and in which order. They are all worth a different number of points. If you get 50 points by the end of the term you win a prize!

<p>Design and make a flower to attract insects for pollination then design an insect to pollinate the plant.</p> <p>10 points</p> 	<p>Write the house number on your way to school. Is there a pattern?</p> <p>10 points</p> 
<p>Make a list of objects in your house that have lines of symmetry. How many can you find?</p> <p>5 points</p> 	<p>Draw a map of your journey to school. What do you pass on the way? Bring your map into school so that you can share your journey with the class.</p> <p>15 points</p> 
<p>Find examples of food packaging in as many different 3D shapes as possible. Try to build a model using as many different shaped packages as possible. Bring your model to school.</p> <p>10 points</p> 	<p>Make up a Tongue Twister based on the sea 'She sells sea shells'. Use alliteration in your poem.</p> <p>5 points</p> 
<p>Practice your times table, for Times Table Tuesdays. There will be a weekly test on Tuesdays.</p>	<p>Practice your weekly spellings for the test on Fridays. 10 words per week.</p>

Bring your learning in and we will tick off each time you win some points. Bonus points will be available for outstanding learning. Bring this sheet back with you!
