

PE Action Plan 2017/18

Aims

What specific outcomes does the school aim to achieve with the Primary PE and Sport Premium? For example: improving progress and skills, better attendance, increasing opportunities and activities.

Increased opportunities to participate in quality led physical activity. This will be shown by increased opportunities for children to partake in extra curricula activities as well as a wider range of extra curricula activities being on offer. Furthermore the school wants to improve children's over all ability and attitude when partaking in physical activity.
