Dear Parents/ Carers,

We are in the process of developing our curriculum. As part of this process, all classes will be exploring ways of enriching the experiences for your children. We will therefore, be going out of the classroom to learn as well as giving your children different experiences.

Throughout the year these may include food tasting, looking around the local area without using the busy roads, and taking video and photographs to display around school, put on our website and possibly in the media. As your child may go out please make sure they have a waterproof coat in school at all times and sensible footwear.

Please complete the form below and return it to your teacher by Friday 9th September.

Yours Sincerely

Dave Smith
Headteacher

.....
Child's Name Class

I give my permission for my child to:

- ◇ Take part in food tasting []
- ◇ Please state any allergies
- ◇ Have their photograph/video taken or published []
- ◇ To visit the local area []

Signed Parent/Carer
